

2022 / STATIONARY ENGINES

Warbirds Over Wanaka 2022 will be displaying Stationary Engines at the main entrance for the public to view to complement the ground programme. We invite you to participate and will provide you with an Airshow vehicle pass and 3-day general admission passes for you and your partner, valued at \$378.

- Please provide the information below about your engine, so we can display it for spectators to read.
- You must have your engine in place no later than 5pm on Thursday 14th April 2022.
- Warbirds Over Wanaka cannot unfortunately provide you with accommodation but if you require assistance to find something please advise or email bookings@lakewanaka.co.nz
- We will send you further information regarding Health & Safety and placement of your engine in the months leading up to the Airshow.
- The facilitator for the Stationary Engines Exhibition is Gus McAllister: 021 0278 1363 or gusmcallister@gmail.com

We look forward to having you here.
